Refugio, Texas

Foreword

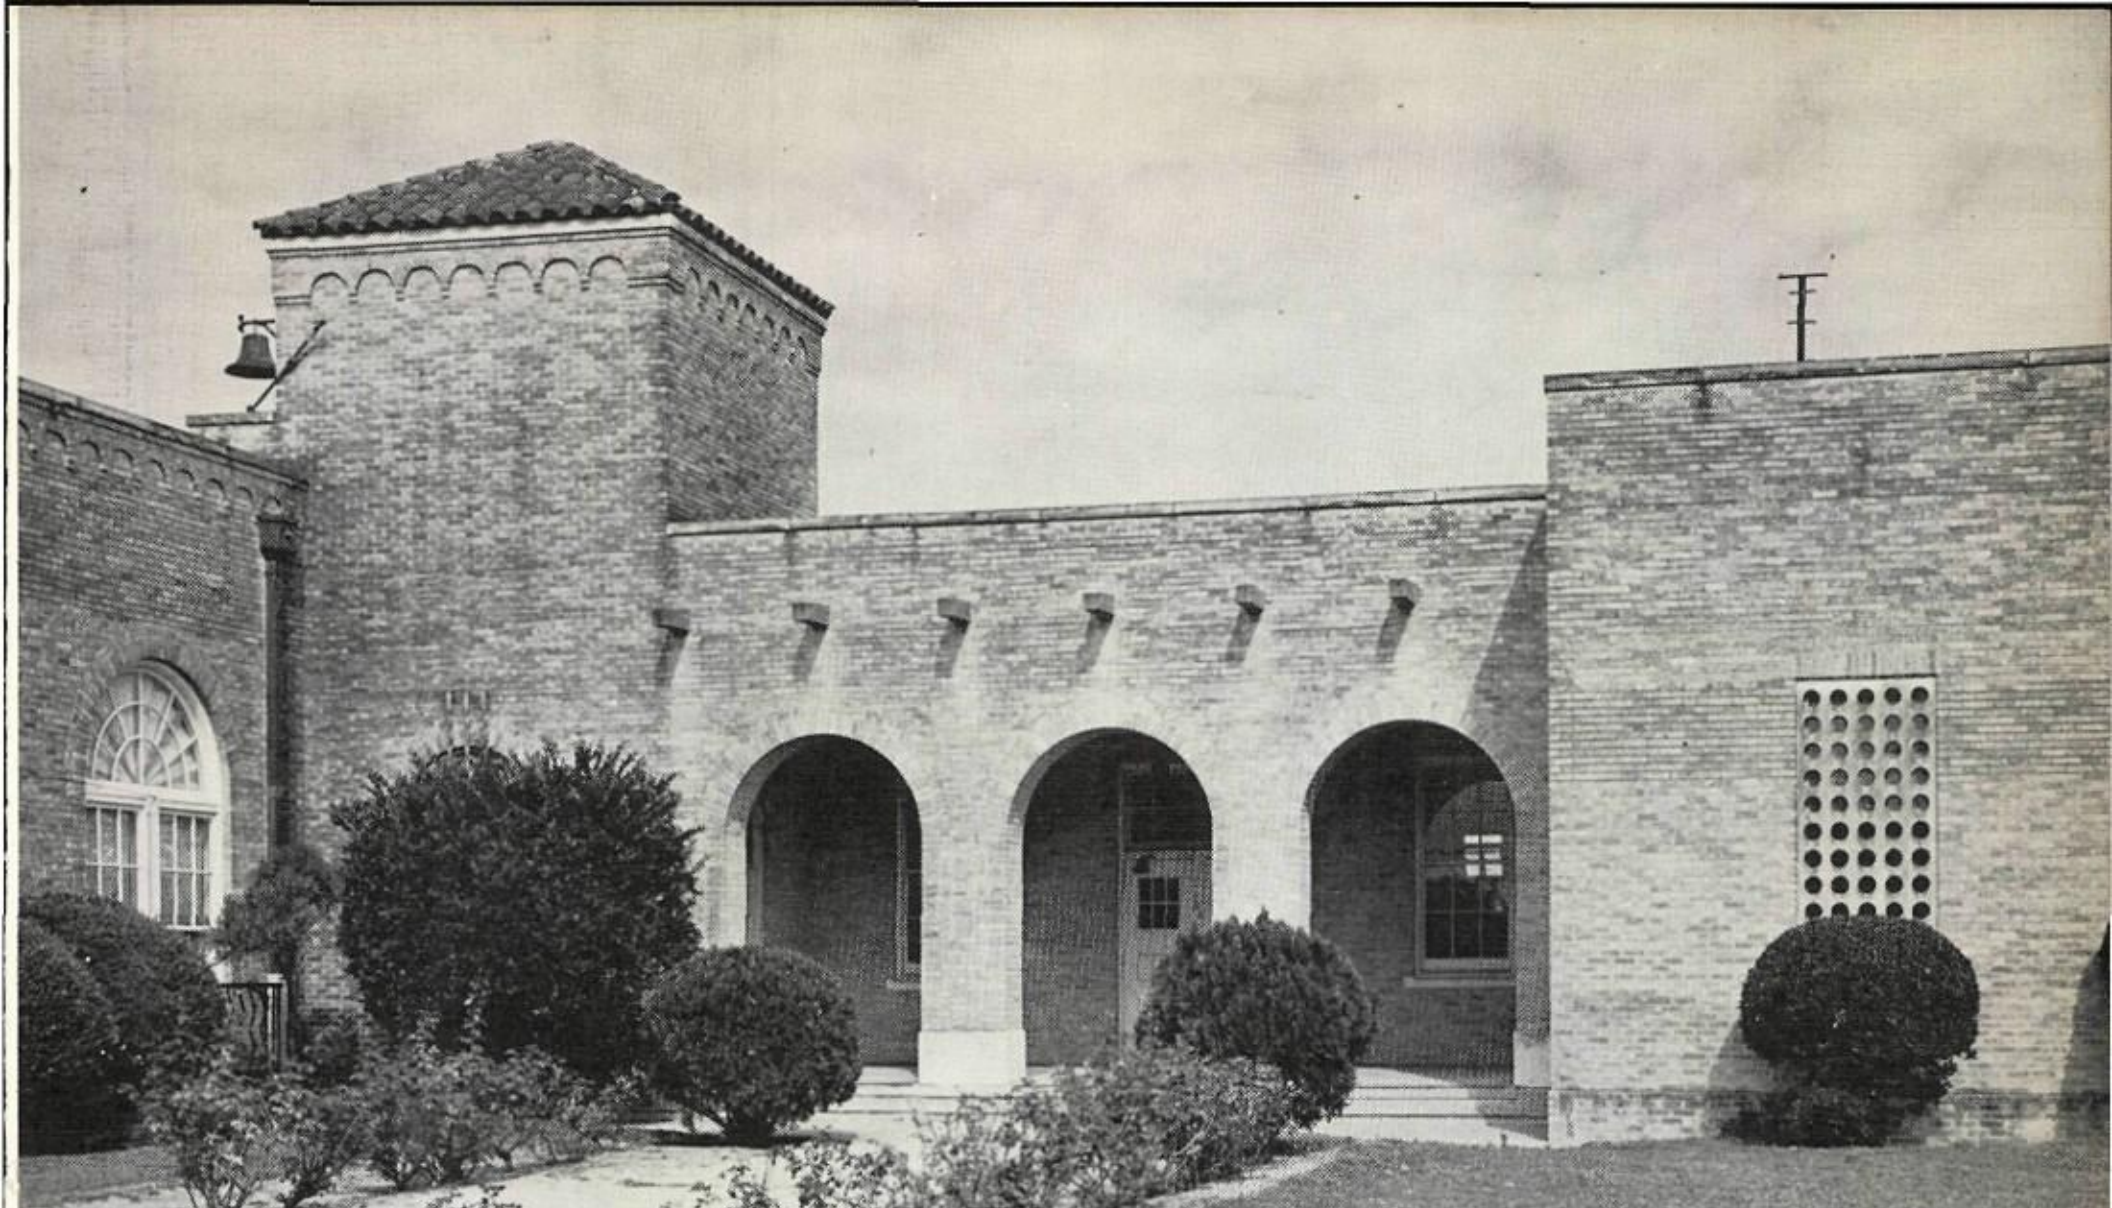
We, the Annual Staff of 1955, have endeavored to compile this book full of memories that are dear to everyone who is associated with "Our Pucho."

To the teachers, students, and friends who cooperated in every way to complete our book, we are deeply grateful.

May the "Sands of Time" drift happiness into your hearts each moment that you linger over its pages.

Now we present to you, students and faculty of Refugio High, your 1955 Annual.

THE STAFF



Dedication

We, the members of the Annual Staff, dedicate the 1955 edition of the BOBCAT CHANT to "this ole' school."

"This ole' school has known many teachers;
This ole' school has known many kids . . .
This ole' school once rang with laughter;
This ole' school heard many shouts.
Now she trembles in the hallway as the
students walk about."

MY ALMA MATER

My Alma Mater,
My Alma Mater,
Dear Refugio High.
Oh, how I love you,
My Alma Mater;
Love you 'til I die.
Through the years
I will remember
Days before we had to part
Mem'ries that will ever
linger
Always in my heart.
My Alma Mater,
My Alma Mater,
Dear Refugio High.
Oh, how I love you,
My Alma Mater;
Love you 'til I die.

To The Students:

Another school year has come to a close and thanks are due to a number of you.

First, by thanks to all of you for the fine co-operation you have given me during my first year as your Superintendent.

Second, the thanks of all of us, teachers and students, to those who have worked so diligently toward the completion of this yearbook. Your efforts have not been in vain.

Last, but by no means least, the thanks of the faculty to the graduating seniors for the splendid record you have made. May this book of memories be that which you shall always treasure and hold dear to your heart and that God will crown your every effort with success.

Sincerely,

E. M. Brice

High School Principal

To those who have, day by day, improved themselves in mind and body, and to those who have honestly made the effort to grow in the understanding of their fellowman and the world about them, the future holds a wonderful promise. The work of this school is dedicated to the task and responsibility of forming such citizenship.

To the Seniors of 1955, congratulations for your having accomplished the aims which you have held before you throughout your High School Career.

You have worked tirelessly on this volume of "The Bobcat Chant"; and the completed book should give you a just pride in your endeavors.

I wish all of you continued success; and I sincerely hope that all of your future activities will bring credit to Refugio High School.

JEAN TEEL

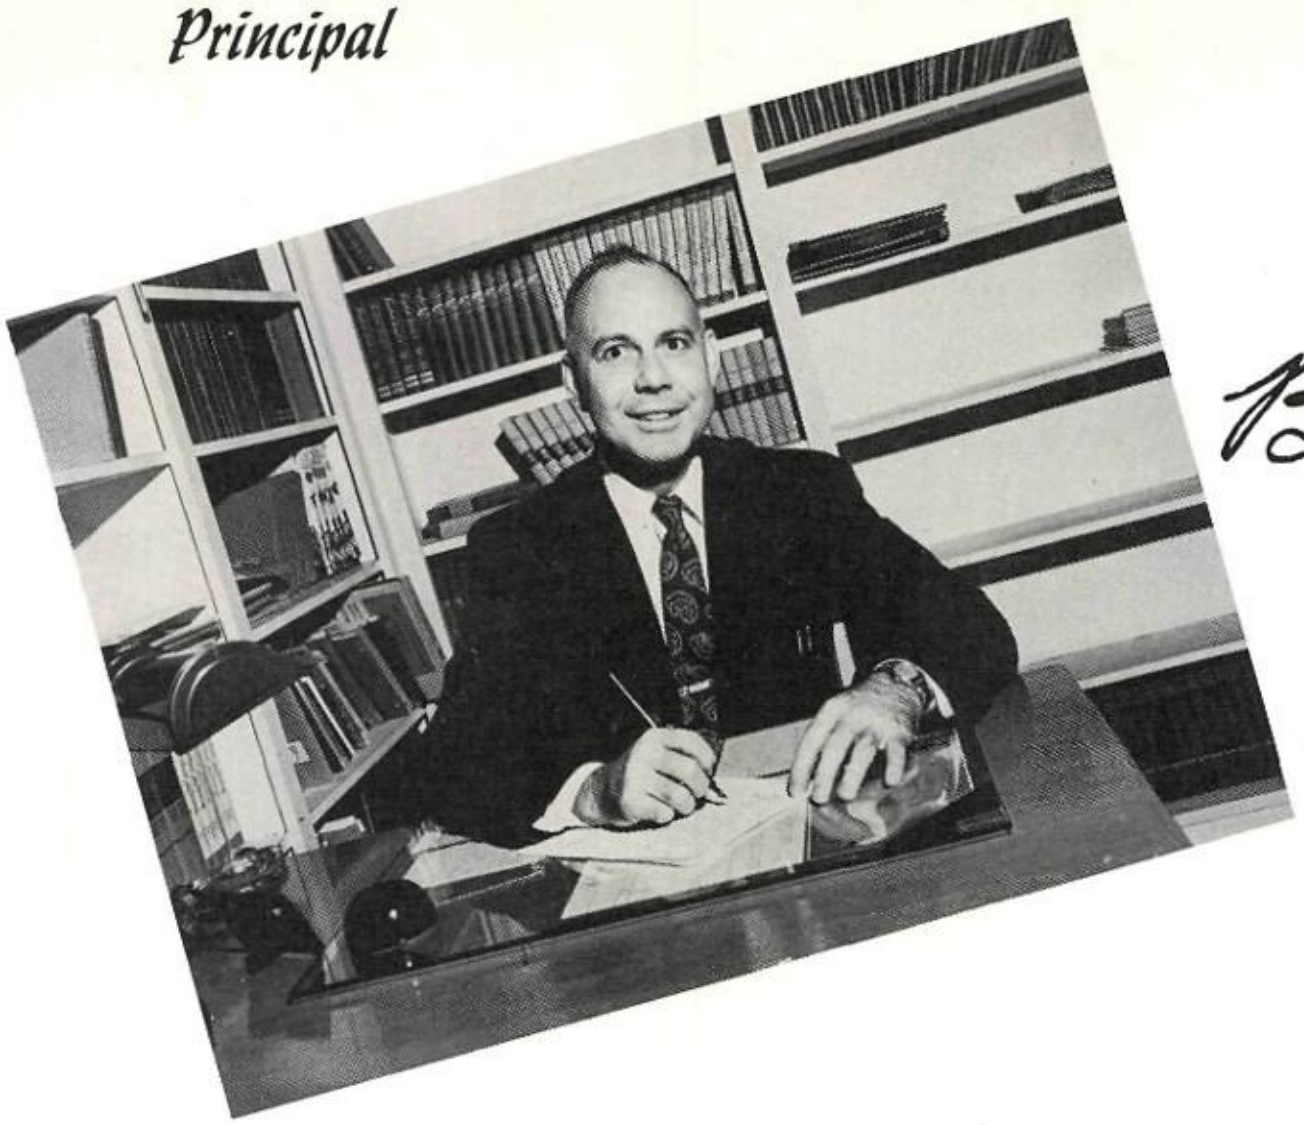
Junior High Principal



It is hard to think of a time in history when young people faced a more stimulating future than they do today. If you profit from all the social, scientific, and educational advantages available to you, yours should be a truly fine and happy generation.

Burke Hilf

May I congratulate the Annual Staff and its sponsors for the fine pictorial record which you have provided for us of this school year. This is another example of the cooperative spirit, the talent, and the hard work which is ever present in our student body.

We in the Elementary School have watched with great interest your work throughout the year and we are proud of you. Keep up the good work.

Elementary Principal

BOBCAT FIGHT SONG

Oh when that Bobcat gang falls in line
We're gonna win that game another time.
For that Bobcat gang we'll yell and yell
And for that Bobcat gang we'll yell and yell and yell.

We're gonna fight, fight, fight for every score
Circle the ends and then we'll score some more
We're gonna roll 'ole (opponent's name) on their side,
on their side
Fight! Fight! Fight!
